Request for Qualifications

LAW US 52/SR 243 Interchange Improvements

The Lawrence County Engineer, acting on behalf of the Lawrence County Transportation Improvement District (TID), intends to contract with an engineering firm for services to provide preliminary engineering, preliminary estimates, and obtaining an approved Interchange Operations Study to improve the intersections of the US 52 Ramps and SR 243 in Coal Grove, Ohio.

Firms interested in being considered for a contract to provide professional services should reply with a Letter of Interest no later than 2 pm on Friday, October 6, 2017. Responses received after this deadline will not be considered. For additional information and requirements for the Letter of Interest, visit the Consultant Services page on the ODOT website.

Letters of Interest should include information regarding the firm's ODOT prequalifications and any sub-consultants along with the percentage of work for each sub-consultant; Project Manager and any technical personnel; the capacity of the staff to perform the work; technical approach and understanding of the project; Qualifications for the project; knowledge and experience concerning relevant ODOT and local standards, procedures, and guidance documents; innovative ideas; and project specific plan for ensuring increased quality, reduced project delivery time and reduced project cost. Evaluation of firms will meet requirements of Ohio Revised Code 153.65-73. Statements of Qualifications should be transmitted to: Patrick D. Leighty, Secretary, Lawrence County TID, 111 South 4th Street, Ironton, Ohio 45638.

By Order of Patrick D. Leighty, PE, PS
Secretary, Lawrence County TID

Ironton Tribune: September 15th, and 22nd.
