## **County Wide Paving Projects for this Fall**

Lawrence County Engineer Patrick D. Leighty announced today that the County is working on finalizing contracts to pave approximately 16 miles of roads this fall. The grants that were awarded to the County and the Townships included the County Road Improvements 2017 which includes County Roads 65, 66, and 71; and the County Township Joint Resurfacing 2017 which included Aid Township Road 244E, Decatur Township Road 326, Fayette Township Roads 1154, 276S, 1153, 1425, 1013, and 1030, Lawrence Township Road 274, Perry Township Road 268, Union Township Roads 1010, 1288, and 1289, Windsor Township Road 309, and County Road 171.

Leighty said, "The paving should start in the next month, these projects will resurface roads that do not meet the classification to receive federal funding and will improve travel on some of our roads within the County".
