Request for Qualifications

County Road 6 Landslide Design Services

The Lawrence County Engineer acting on behalf of Lawrence County, Ohio intends to contract for Geotechnical Engineering and surveying services in connection with the County Road 6 Landslide Repair.

Firms interested in being considered for a contract to provide these services should reply with a statement of qualifications no later than 2 pm on May 31, 2012. Statements received after this deadline will not be considered.

Statements of qualifications should include information regarding the firm's history; education and experience of owners and key technical personnel; the technical expertise of the firm's current staff; any ODOT prequalification, the firm's experience in landslide repair design; availability of staff, references, and any previous work performed for Lawrence County or Counties of similar size in Ohio.

Evaluation of firms will be as required by Ohio Revised Code §153.65-73.

Statements of qualifications should be transmitted to: Douglas E. Cade, PE, PS, Lawrence County Engineer, 111 South 4th Street, Ironton, Ohio 45638.
